

**DAY 5 THURSDAY, JULY 22, 2010 PETOSKEY - MACKINAW CITY TRAIL
MACKINAW CITY, MICHIGAN Loop Routes 19.5 or 46.2 MILES**

Leaving Mackinaw City we backtrack the final part of yesterday's route, following the Lake Michigan shore, ducking into the woods for awhile before ending up back near the beach. Cecil is the first spot to grab a snack. If you're doing the short loop you won't make it back as far as Cross Village. If you are going back to Cross Village and arrived before Legs Inn opened yesterday, today may be a good time to have lunch here instead. Leaving Cross Village the route heads inland for several more miles of rolling Michigan countryside before entering Levering which isn't very large. Most of the services are located a couple blocks to the east along US-31. If you've ridden on some of our previous tours you'll recognize the Petoskey - Mackinaw City Trail that makes up the last 10 miles back into Mackinaw City. If you don't feel like riding either loop or would like to do some additional activities you have several more options. The Headlands Park has trails to explore and is located less than two miles from our overnight stop. There are numerous mountain bike trails in Wilderness State Park as well. You can also head over to the ever popular Mackinac Island for some car-free riding and a scavenger hunt. We cap off our final overnight stop with a Mardi Gras themed celebration. Remember, this is also the final night to make a bid on auction items.
